GO SAILING ON LUXURY YACHT CHARTER IN TURKEY

★ July 29, 2019 2 Comments

Most human draws to the beauty of the ocean - crystal clear water, blue sky, and all that nature has to offer. I've had several fantastic experience in live aboard diving trips over the years at Thailand and Maldives, but if you're looking for this type of experience in Mediterranean, then you would appreciate what Turkey Luxury Gulet has to offer.

While there are many ways to plan a group trip sailing across these water, Turkeyluxurygulet.com is the #1 gulet specialist for luxury cruises in Turkey. Starting out with how easy is it to plan: Simple describe the group with its composition, size, and dates of your holiday and they'll do the rest.

The team has organized over 650+ such gulet charters so you know they've got it down when it comes to providing the best possible experience. Expectation is matched with the right type of gulet, crew, and itinerary with breath taking view.

Turkeyluxurygulet.com went on to inspect 573 different gulets and chose the best 50 to be in their fleet setting the standard in terms of quality, value, and customer service.

I also like the fact that they've listed their fleet with pricing information right on the website for easier budgeting. You can find these unique experience starting from 7,000 EUR on a 24 meter gulet with 4 cabins for 8 guests, all the way to something that's upwards of 100,000+ EUR for an ultra luxurious experience on a 50m gulet for 6 cabins with 12 guests.

If you're looking for an unforgettable experience over these beautiful water, check out Turkeyluxurygulet.com
